

## **Education Committee Membership Expectation**

**In order To Be A Member of Education Committee In Good Standing And To Be Recognized At The End Of The Year (September). He or She Must Meet The Following Requirements:**

**Attend At Least Four (4) Committee Meetings Between October and June:**

1. Most of the education committee work is done between October after the conference and the June of the following year.

**And Any Two of The Following:**

1. Moderate a conference or non-conference class. The Association depends a great deal on its members coordinating and moderating non-conference classes to bring the needed training to its members at a very low cost.
2. Coordinate a conference class.
3. Man the Education Committee Table during the Annual Conference for at least 3 hours.
4. Teach a conference or a non-conference class.
5. Take minutes during the Education Committee meetings at least once between October and June.
6. Write article for the Association's newsletter.

Or any combination of four items above.

Education Committee Co-Chairs will resolve any questions with regard to members who have or have not met the guidelines.

**Thank You!!!**
