

SPECIAL BOARD MEETING

Virtual via Teams

June 17, 2022

President Jack Broyles called a special Board Meeting. Its purpose was to discuss concerns of a governmental finance officer who is not a WFOA member.

The meeting was called to order at 10:05am.

There was much discussion on how the Board could educate the membership on volunteer opportunities that exist at WFOA, including on how to be nominated for a board position.

The Board agreed that there should be a newsletter article in both the Spring and Summer Newsletters, having that article included in MRSC, SAO and possibly AWC's newsletters, also putting together a one-page handout to go in the conference bags.

The meeting was adjourned at 11:03am
